Englewood Christian Church Worship & News May 2023

Sunday May 7th, there will be an art show and contest for After School Arts students, parents, and volunteers.

Artwork will be exhibited in the Englewood Christian Church foyer and ballots will be available before and after church for people to vote on their favorites in multiple categories.

Volunteers, you have until Tuesday, May 2nd to enter your art. Awards will be handed out at our last art class of the school year, on May 9th.

Garfield Incentive Art Day

The Garfield Incentive Art Day will be May 5th. Thirty kids from Garfield Elementary who have had perfect attendance and perfect behavior throughout the school year will be coming to Englewood on Friday, May 5th for an art day.

Artists Rosie Saldana and Jay Carskadden will be leading a Cinco de Mayo Hispanic Heritage art project where the kids will make piñatas. They will also decorate festive cookies.

We need volunteers to help with making cookies and providing frosting,

helping the kids frost the cookies, and help with the art project.

The event will run from 11:30-2:00. Come join the fun! A sign-up sheet will be available on the welcome table.

¡Feliz 5 de mayo!
Carolyn Hamilton, Activities Director

Second Sunday Series

The Second Sunday Series has a real treat in store for you for the second Sunday in May.

On May 14, 2023, at 2:00 pm, the Second Sunday Series will present John Vergin, performing on our wonderful Casavant/Bond organ.

Raised in the Yakima Valley, John Vergin is now regarded as one of the most gifted professional musicians in the Portland area.

We are very excited to be presenting this concert, as it has been awhile since we have been able to schedule an organ concert.

Put the date in your calendar so you will not miss the concert. There is no admission charge, but donations are accepted.

Roger and Jane Finch

Stewardship

If you have driven by the church during the day in the past week or so, you would have noticed at least 4 Campbell and Company trucks in our parking lot.

No, we do not have a major problem with our heating and air conditioning system! We have contracted with Campbell and Company to provide service to our heating and air conditioning system.

Four of their Yakima technicians are already learning how to operate our system. They will monitor it remotely by computer and will be on 24/7 call for any problems that may come up.

It is possible that they will be aware that something is not working correctly BEFORE we arrive and find a cold/hot building. They will also do the maintenance of the system on a regular basis. There is some updating that will be done also to make the system work more efficiently.

Their monthly fee will be taken out of the Property Reserves fund.

Kathy Helseth, Stewardship Chair.
